

Your privacy is important to Securitay Ltd. The following Privacy Policy discloses the information practices for Securitay.co.uk, including the type of information gathered, how the information is used, and Securitay's policy regarding sharing information with others.

## **Consent**

By using the site, you agree to the terms of this Privacy Policy.

## **Personal information provided by you**

We gather Personal Information and Anonymous Information from you when you visit the Site. "Personal Information" means any information that may be used to identify an individual, including, but not limited to: a first and last name; e-mail address; a home, postal or other physical address (when using services designed to respond to your enquiry) or other contact information necessary to provide a service that you requested. "Anonymous Information" means information that is not associated with or linked to your Personal Information; Anonymous Information does not permit the identification of individual persons. We collect Personal Information and Anonymous Information, as described below.

## **We collect personal information in the following instances:**

If you email us directly via an email hyperlink or contact form to provide us with feedback or to ask us a question regarding the site, we will record any information contained in such email.

## **Use of personal information**

We collect Personal Information from you to fulfil your requests. For example, we may use your Personal Information to interact with a service or feature to the site.

# Disclosure of personal information

Your Personal Information will generally not be shared, sold, traded, or rented to individuals or other entities such as direct mail organisations.

We may disclose your Personal Information if we believe in good faith that such disclosure is necessary to comply with relevant laws or to respond to subpoenas or warrants served on Securitay Ltd.

## Cookies

What are cookies, and how do we use them?

Cookies are small text files that are sent to and stored on your web browser, smartphone or other device to allow you to store specific information that can be used to improve the user experience on a website. Further information about cookies (including how to disable them) can be found on [allaboutcookies.org](http://allaboutcookies.org).

What types of cookies do we use?

Session Cookies are stored only temporarily during a browsing session and are deleted from the user's device when the browser is closed.
